Waiting

Waiting for anything at any time is the most tantalizing annoying experience that I've ever known but, the worst kind of waiting is for very carefully prepared speech on a program.

When the program begins, your heart flutters a bit. After the first number the palpitation of the heart makes you tremble. Each moment brings the dreaded event nearer and yet the present speaker's words seem to drag. There is no meaning to the ordinarily interesting topic. The horror of the very near future can be compared to a man whose life depends on his accuracy on the trapeze.

Just before the moment, you think about your speech. Strange! Your mind is a blank and you can't remember anything, everything stops.

Your name is called, your heart makes one terrible flop, your knees tremble, your throat is dry, you stand upon your feet and a slight tremor runs through you. Then a delicious calm settles and your words flow without effort. Oh, that terrible waiting! It disturbed my whole existence, but the calmness is appreciated much more after the horror.

One who knows.

High School Baseball League

Middlesex Valley High School baseball league held its organization meeting and elected Principal A. O. Jenkins, of Naples High School as president. Since Middlesex and Rushville schools will be combined into a Central High School next year, it was voted to allow the two schools to compete this spring as one team.

Naples, East Bloomfield and Gorham Central are the other teams in the league. A trophy cup will be presented to the winner by Edward J. Rose Co., of Buffalo.

In Naples Coach Roger Killian has been drilling twenty-one candidates for a week. With only two regulars lost from last year's combination that went into the playoffs a strong team expected. George Coons, regular starter last year, and Glenn Keith form the nucleus of the pitching staff. Lawrence Keith is the manager. League schedule:

April 28, Rushville-Middlesex, vs. East Bloomfield at Rushville; Naples vs. Gorham at Naples. May 6, Rushville-Middlesex vs. Naples and Rushville-East Bloom-

field vs. Gorham at East Bloomfield. May 10, Gorham vs. Rushville-Middlesex at Gorham; East Bloomfield vs. Naples at Naples. May 13, Rushville-Middlesex vs. East Bloomfield at East Bloomfield; Naples vs. Gorham. May 20, Gorham vs. Rushville-Middlesex at Rushville; East Bloomfield vs. Naples at East Bloomfield. May 27, Rushville-Middlesex vs. Naples at Naples; East Bloomfield vs. Gorham at Gorham.

Healthmobile Pictures

Last Tuesday morning the student body was shown two very educational pictures, by representatives of New York State Board of Health, concerning two types of safety. "The Hit and Run Driver" and "Social Diseases." These pictures are being shown throughout the state so far, more than five hundred schools have been visited. Doctor Crowther, the county doctor, gave a short talk before the movies to explain their purpose.

Both of these movies leave a person with a rather dejected feeling. To think that a driver would hit a person, see him lying maimed in the dirt, hear him cry out for help and still leave him to die seems like actual murder. No prison sentence is too great for such a heartless person even though he is also punished by the haunting pictures of his victim which keep going through his mind.

The second picture is one which everybody should see as the causes and results of social diseases should be known by persons the world over so that they may be checked and the lives of many may be saved.

Band Concert

The band concert held last Friday evening at the town hall was well attended in spite of the inclement weather. The band played unusually well and the program was varied with a few modern pieces intermingled with the customary classical numbers, an arrangement which added to the entertainment. A bassoon solo was rendered by Leona Lindsey, and a baritone solo by Paul Lindsey. Both numbers were extremely difficult but were very well played. Seven new members of the band played in a clarinet ensemble and three members played a saxophone trio. The progress that these students have made since September is a credit to our

band instructor, Mr. John Frazer.

Another entertaining selection was a flute and clarinet duet by Jean Fox and Mary Louise Jerome. An additional feature of the band concert this year was the appearance of the Junior high school glee club which sang three numbers.

Very unexpectedly on Saturday morning, Mr. Jenkins received a letter, containing ten dollars from a band enthusiast in appreciation for the excellent music rendered by the band at the concert. The band wishes to thank its friend for his kindly interest.

Grade 1: J. Braun, J. Peacock, C. Ponko, P. Schultz and C. Swingle.

Exams Over

As the quarterly exams are over, the students can enjoy their Easter vacation which begins April 14th, with the usual worry.

If you haven't procured your copy of "Hungry Waters" by Lowell Thomas or if you need a dictionary or any other non-fiction book, the Seniors will be glad to supply you.

Boy Scout Council Leases Camp Site On Seneca Lake

Finger Lakes Council, Boy Scouts of America, has taken a seven months' lease with option to buy on a 147-acre tract of the S. V. D. Johnson farm at Gilbert Station on the east shore of Seneca Lake, south of Willard, for experimental camping purposes.

Announcement of the Council's new plans for a Summer camp to succeed the closed Camp Tardion on Canandaigua Lake was made at a meeting of the executive board held in Geneva, last Monday night.

Described as a wonderful camp site and "ideal for Scout camping purposes," the tract of land leased has a 1,500 feet lake frontage, is well located. It adjoins the Willard State Hospital farm. The camp committee was given authority by the executive committee to draft plans for temporary troop camps under canvas. No authority was given for any expenditure and the plans of the camp committee will have to be such as come within the financial ability of the Council to meet, it was said.

Chairman Harry Weart of the Camp committee told the executive board that during the past one and a half years since the closing of Camp Tardion, the camp committee has been carefully studying the camp problem and has inspected 14 different properties in three counties of Ontario, Seneca and Yates.

The Camp committee will meet to make plans for use of the new site this week in Geneva. The big problem, it is said, is to bring the plans within the means of the Council.

Establishment of a new standard procedure for Scout advancement was also announced to the executive board, Monday night, by Basil T. Elmer of Canandaigua, chairman of the Scout advancement committee. The outstanding feature of this new procedure is the formation of an Eagle rank examining committee to interview all applicants, for Eagle Scout.
