

Services In Our Churches

St. Januarius Church Rev. Herbert Sturmer, Pastor

April 24, 1938
First Sunday after Easter.
Time of Mass 8:30 a. m.
Monday April 25th. 3:45 p. m.
The high school students class of instruction.
Tuesday April 26th. Study club meeting. As this is the last of these studies, we urge all members to be present.

Methodist Episcopal Church Rev. John H. Sandmeyer, Minister

Next Sunday morning's text is: "If I will that he tarry till I come, what is that to thee?" This is part of an incident that occurred after the resurrection of Jesus. He was taking Peter aside to converse with him, John was following and Peter was resentful of his presence, Jesus replied in the sense of the text. Morning worship at 10:45.

A social evening is planned by the Co-Workers class for Thursday beginning with supper at 6:30 at the home of Mrs. Frank Jennings.

Plans are laid for the annual Mother and Daughter banquet to be given by the Ladies Aid Society on Thursday, May 5, at 6:30. Mrs. E. G. Phillips is the speaker and her subject is "What Am I Bid?" The theme of the occasion will follow the scheme of an auction.

John Vermilye is general chairman and Frank Conrad is chairman of refreshments for the next men's Sunday meeting which comes on May 1, at 6:30 p. m. It will be a "Town Meeting" type of get-together this time.

Bishop Adna W. Leonard will be the speaker at the Hornell district Brotherhood in the Community Building in Canisteo, Monday May 2nd. at 6:30. Seating is limited to 500. Quota for this church is fifteen. Arrangements should be made through either Clyde Harrington or Elmer Griffith.

Presbyterian Church Rev. E. Irving Braden, Minister

Regular services Sunday.

Baptist Church Rev. D. M. Ratcliff, Minister

The midweek meeting will be omitted this week.
Sunday will be "Pledge Sunday." Please bring your pledge card. For the good of the church, for the good of the member, and for the good of the greatest cause on earth; each one should do his or her best.

Sunday services: 10, Sunday school; Laura Kidder, superintendent. 11 morning worship and preaching service: sermon topic, "I Will."

4:30 L. B. J. meeting at the home of Mrs. Conrad.
The annual business meeting of the church the election of officers, for the transaction of church business and for the hearing of reports of all societies of the church will be held in the church parlors Wednesday April 27th at 7:30 p. m.

RUSSELL M. DYE

(Taken from Italy-Naples)

This community was saddened Monday to learn of the death from pneumonia of Russell M. Dye, son of Milo and Harriett Littell Dye. Mr. Dye was born in Yorkshire, Broome County, December 21, 1854, and came to this section early in life where he has since lived. The deceased was twice married, his first wife being Rosetta Albright, and the second, Mrs. Ida McConnell Weld, who survives, as well as one sister, Mrs. Erva Potter.

Mr. Dye was a member of the Italy-Naples church.

Funeral services will be held from the late home this Wednesday afternoon at 2 o'clock. The Rev. J. Irwin Wilson, of Dundee, assisted by Rev. Emmett L. Roys, officiating. Interment in Italy-Naples cemetery.

MRS. GEORGIA J. COYE

Mrs. Georgia J. Coyo, age 77, widow of Elmer N. Coyo, died Tuesday morning at her home in South Bristol, after a long illness.

Mrs. Coyo was born in Bath, England, May 16, 1860, the daughter of Charles and Emily Tennant Clapp. She came to the United States in 1869. Her girlhood was spent on Lent Hill, near Cohocton.

On February 10, 1880, she was married to Elmer N. Coyo, of South Bristol, and lived her entire married life on the farm where she died. Mr. Coyo died July 29, 1926.

Mrs. Coyo is survived by two daughters, Mrs. George Demorest of Bristol Valley, Winifred L., at home, three sons, Nathan of North Hollywood, Calif.; Earl of Lent Hill, and Herbert E., who resides on the home farm; also one sister, Mrs. A. L. Rynders, of Lent Hill, two brothers, William Clapp, of Cohocton and Dr. Victor Clapp, of Livonia, nine grandchildren and four great grandchildren, besides several nieces and nephews.

Mrs. Coyo had been a member of Academy Grange for fifty six years. She was active in church work at Bristol Springs as long as health permitted. In 1900, she joined the Lady Maccabees at Bristol Springs. This organization disbanded and Mrs. Coyo has belonged to the same group in Canandaigua.

The funeral services will be held at the home on Thursday April 21st at 2:00 o'clock. The Rev. E. I. Braden, pastor of the Naples Presbyterian Church officiating. Burial will be made in Rose Ridge cemetery.

Easter Services Well Attended

The sunrise service held Easter Sunday morning in the Baptist church was largely attended, numbering eighty people. The service was in charge of three ladies, one from the Methodist church, Mrs. Oscar Warren, one from the Presbyterian church, Mrs. Orion L. Emory and from the Baptist church, Miss Celestia Hatch. Miss Betty Ratcliff was the pianist, also Miss Ellen Kistner, who accompanied Misses Phyllis Walker, and Miss Ratcliff when they gave a vocal duet. The reading of the scripture, the story of the Saviour and the prayer was all very fine, as also the congregational singing. At 7 o'clock a breakfast was served in the parlors of the Presbyterian church by the young people. It was indeed a most impressive Easter morning service.

In all the churches the Easter program was carried out, with baptism, and of membership, and the floral display was very beautiful, all given in memory of the beloved who have gone. At the Catholic church, the usual Easter sermon was delivered and largely attended.

Thursday evening "Holy Thursday" the meeting was held in the Presbyterian church and Mr. Robert Allen was in charge. The pulpit was occupied by our local laymen from the three protestant churches, and their remarks were very good and given in great sincerity, which to anyone present was helpful in life's journey.

Good Friday was very beautifully observed with services at the Methodist church from 12 noon to 3 p. m. The church was very well filled at each of the services. It was a varied program in which beautiful thoughts in words, singing and instrumental made our Lenten service a very helpful one to all.

Born to Mr. and Mrs. Harold J. Duclos, of Naples, at the Memorial hospital in Canandaigua, Wednesday morning, a seven pound baby girl. Name, Donna Jean. Both are doing nicely. Congratulations.

Auction bills at this office.

National Air Mail Week May 15 to May 21

A distinctive two-color air mail stamp will be issued by the United States Post Office Department as a special recognition of National Air Mail Week, May 15, to 21, which will be the greatest effort in the history of this service to increase its effectiveness and popular support.

This stamp will be symbolic of the Air Mail and should be highly desirable for the many thousands of collectors who will send and receive letters on the special flights that week.

This stamp will be placed on sale May 14, at Dayton, Ohio, the home of the Wright Brothers, who built the first successful airplane, and at St. Petersburg, Fla., where the first passenger flight was made. On the following days of Air Mail Week, this stamp will be on sale at many thousands of Post Offices throughout the United States.

The National Air Mail Week chairman pointed out that hundreds of privately owned airplanes will take to the air, piloted by their owners, on May 19 to provide a special pick-up Air Mail

Service which will extend into a great number of communities which now are remote from the regular transcontinental air mail lines. Private fliers are cooperating with enthusiasm in the preparations for these special flights.

Postmaster John C. Morgan, in cooperation with postmasters throughout the United States, has appointed committees to serve for the observance of National Air Mail Week.

This is to commemorate the twentieth anniversary of the launching of air mail service and to promote its continued development.

The honorary committee will be Mayor Harry W. Otto, chairman; Marion R. Schuyler, Supervisor; Fred G. Lyon.

Publicity: Howard W. Tellier, chairman; Advertising, Edgar S. Morey, chairman; Education: A. O. Jenkins; Boy Scouts: Roger Killian, chairman.

All chairmen are empowered to enlarge their committee, and select those whom they may think best suited, for any particular branch of the promotion.

George Reese Builds Airplane Test Flight Within Two Weeks

Back in 1921 when airplanes were very unusual sights, George Reese, of Naples, took a course in flying at a Dayton, Ohio, school of Aviation. George returned after his course in this school and soon created enough local interest in the flying game to go to Mineola field on Long Island and purchase a plane. Studying his maps pretty thoroughly Geo. piloted the ship back to Naples and landed in on a large field on the Middlesex road. Since that time George has been very active in the flying business, working in many airports and for airline passenger systems, and besides being a pilot he is an expert mechanic. During our fair a few years ago, when he was connected with D. W. Woodward airport, LeRoy, he surprised his home town folks by appearing here and making parachute jumps. He thrilled a large crowd one day when he landed on the roof of the village hall. Several years ago he helped build a plane for a young man down at Gorham, who he afterwards taught to fly the machine and was

in operation during the summer months. George is often spoken of as the "Lindbergh of Naples" and we have always believed that if he had nosed his ship across the ocean back in 1921, instead of toward Naples this town would have been famous the same as Col. Lindbergh made his town.

George who is a mechanic at the Widmer plant, has been craving the "feel" of the "stick" which are the controls, and this winter he has worked very hard, and spent many hours in building himself a plane of his own. Getting hold of a motor George has conditioned the engine into perfect running order. He had built the wings and tail, bought a few parts wherever he could and now the plane is about ready for the first tests. George tells us that within a couple of weeks he will be ready to give his first flight with the machine. We know he will be successful and the hope of the entire community for success is with him. He has not named the plane as yet, but hope he calls it "Miss Naples."

CLEAN-UP WEEK

The week of April 25 to April 30 has been designated as CLEAN UP week for Naples. During that period, everyone in the village is urged to cooperate in the cleaning up of lawns, and the removal of ashes, tin cans and other debris that has accumulated during the winter. Naples for years has enjoyed the reputation of being a clean, tidy community, and it is surely a reputation that we want to keep.

The old dumping place on Vine street is now full and has been cleaned up, so there is to be no more dumping of rubbish in that location. A place for the deposit of rubbish by the citizens of Naples, is now provided in the Bleyer gravel bank.

So let everyone remember the Clean Up dates, April 25 to 30th. Village Board.

Shot With Rifle

Robert Decker, 12 year old son of Mrs. Anna Decker of Griesa Hill road, was taken to Memorial hospital Thursday in a serious condition with a rifle bullet wound in the body received when a gun accident happened near his home. Reports from the boy are that he is improving as well as can be expected.

Auction of the Delia Gage household goods, Saturday April 30th.

MRS. ANNA PERRIELLO

Word was received Sunday by Mr. Daniel Perriello, of the sudden death of his mother, Mrs. Anna Perriello, at her home in Rochester. She is survived by one daughter, Mrs. Herman Folino; three sons, Charles and Vincent, of Rochester, and Daniel of Naples; one sister, Filomena Lorenzo, of Buffalo; and nine grandchildren.

Funeral services were held this morning (Wednesday) from the home at 246 Lyell Ave., and 9 o'clock at St. Anthony Padua Church. Interment was made in Holy Sepulchre Cemetery.

Naples Grange News

A one act play will be presented at the Naples Grange on Saturday April 23rd, directed by Mrs. Maud Jennings. The nature of this play is being kept a deep dark secret. We are told that near profession if not professional actors and actresses have been secured. To see is to learn. A class of candidates will receive the 3rd and 4th degrees. Arthur Eldred is in charge of the degree Team. Maple syrup and other refreshments will be served. Members are requested to bring a dime to assist in defraying expenses.

Cannibalism among chicks is largely caused by lack of something to do, by over-crowded houses, or by hunger.

Report of C of C Meeting

The regular meeting of the Naples Chamber of Commerce was held at the Naples Hotel on Thursday evening, April 14th.

Edgar S. Morey, President, welcomed a delegation of nine Middlesex Chamber of Commerce members. Dr. Chaffee introduced the individual members. George L. Tobey was thanked by the President, for his fine work done as chairman.

The representative of the Chamber of Commerce, Glenn Loomis, reported on the Public Service Commission hearing relative to changing the franchise of the New York State Electric and Gas Corporation. We were advised that the present franchise was granted to the former Wayne Power Company in 1912 for fifty years, and had an unexpired term of twenty-four years. Two reasons were given for desiring a new franchise:

1. To simplify legal work of the corporation, since each municipality and town had previously granted franchises to the former companies and these were in no way standardized.

2. The reason for desiring perpetual franchises was that it would help the company in securing credit and in selling securities.

Although the perpetual franchise was granted last September by the Village Board after a duly published notice of a public hearing was held; it was brought out at the hearing by Attorney George R. Lunn: That some of the business men of Naples, having failed to appear at the local hearing at the time the franchise was granted by the village board, did not favor the granting of a perpetual franchise but favored a reasonable time limit. As a result, the hearing by the Public Service Commissioner was adjourned to a later date before approving or disapproving the franchise.

Mr. Glenn Loomis, Mr. Leon L. Wheeler and Attorney George L. Lunn together with Mayor Harry Otto, and Trustee Fred Delbridge, were present at the hearing.

In the discussion of the above report—Mr. Weaver representing the New York State Electric and Gas Corporation presented a few facts of interest. That even though the franchise was perpetual, it was not an exclusive franchise would not prohibit a municipal plant is desired, also further emphasized the two reasons mentioned above for desiring a change in the franchise.

Mr. John Bolles speaking as a Village Trustee, stated that he saw no reason why a perpetual franchise was detrimental to the village.

From the discussion the following facts were stressed.

1. The commission does not have the power to modify or amend a franchise presented for their approval or disapproval.

2. A desire was shown to cooperate with the New York State Electric and Gas Corporation to grant them a franchise in their own name.

3. It was evident that any franchise granted them shouldn't be for longer than that of the existing one which has an unexpired duration of twenty-four years.

4. Since the franchise passed by the village board last September cannot be amended it is, therefore, necessary that it be disapproved by the Commission and a new one for a limited period be presented.

Following the above discussion the following resolution was presented by John Morgan, made a motion by Fred Lyon, and seconded by Charles Salyer, and passed by majority vote.

(Continued on page 3)

Vines are useful and attractive around the house, and will fit into situations where a tree or shrub would be out of place.

FINGER LAKES Currents

BY HARRY R. MELONE

NEW BOAT- A 36 foot tug, originally a naval training boat, purchased by the city of Syracuse for \$449, has been added to the Skaneateles Lake fleet, for work in laying a new Syracuse water supply intake pipe. Syracuse already operates two sanitary boats, one a 48 footer and other of 28 feet.

NEW CAMP- The Finger Lakes Council, Boy Scouts, has taken a seven months lease, with option to buy, on the 147 acre Johnson farm at Gilbert Station, on the east shore of Seneca Lake, south of Willard, for experimental camping purposes. With a 1500 foot lake frontage, the camp is expected permanently to succeed Camp Taron on Canandaigua Lake, closed a year and a half ago.

ART ON PARADE- More than 150 persons, in ten adult Gallery classes, are preparing for a "Finger Lakes Exposition" art show during the last week in May in the Memorial Art Gallery, Rochester. Artists from 19 counties have been invited to display their work. Three cash prizes totaling \$250 for best sculpture, water color and oil painting, have been offered by Nelson Eddy, Hollywood singing star.

YACHTSMEN TO BANQUET- Skippers from Yacht clubs on each of the six Finger Lakes will attend the annual spring banquet of the Central New York Yacht Racing association at the Osborne Hotel, Auburn, Saturday evening, April 30th. The Owasco Yacht club, as host, has secured Bruce and Sheridan Fahnestock, to give illustrated lecture on their two year cruise of the South Seas in a 61-foot schooner, "Director." A date for the 1938 association regatta on Chautauqua Lake will be set at the dinner.

MUSIC IN THE AIR- More than 1,000 are expected to take part in the Finger Lakes Region Competition-Festival for school band, chorus, orchestra and solo units to take place at the \$130,000 Senior High school stadium, Auburn, April 29-30. Twenty bands, with more than 500 marching musicians, will parade the second day. The most distant entry is Mulford Central school, 100 miles away. School entries directly within the lake country include: Moravia, Penn Yan, Seneca Falls, Skaneateles, Groton, Naples, Romulus, Union Springs, Interlaken. Cup and medal awards are offered. The Auburn stadium seats 5,000.

JOTTINGS- This year will see that portion of the Seneca Falls-Auburn highway from Seneca Falls to Halsey's Corners, a distance of two miles, rebuilt with a 30 foot macadam road. W. I. Morrow, Bath, has introduced a goat in his flock of sheep and finds it a real protection against marauding dogs. The Red Jacket Yacht Club, Seneca Falls, will open its seasons' racing schedule on Cayuga Lake with competition on Memorial Day. Yates County was the first in the lake country to submit a collection of scenic photographs for use in the regional display at the World's Fair in New York in 1939. The annual dinner of the Penn Yan Chamber of Commerce will be held Monday evening, April 25th. The Auburn Y. M. C. A. camp on the east side of Owasco Lake will open June 26 and continue thru July 31. The annual summer school of Auburn Theological Seminary will be held June 27 to July 14. L. G. Carpenter has been named Finger Lakes Association director for Dundee, a new member community.

Clean-up week for Naples has been set for April 25 to April 30. The village have a dumping ground for your rubbish.
