Camp Babcock-Hovey

### SCOUTING IN ACTION

Oh, boy, what a week we're having here at Camp Babcock-Hovey! 167 Scouts are blazing a trail to Eagle - the largest group we've ever had at one time.

On Monday night we started off with a swell Induction Council Fire where everyone became acquainted by singing and laughing together. This led us right to the tremendous Olympics on Tuesday where Kay Nebel and a bunch of mixed nationalities sweated and strained into the final event. George Crowther's Pirates finally walked away with the Olympics and a large box of candy bars.

Shall we mention what happened to them the following noon?

Then came the Cook-Out, and that was really something! There isn't a Scout in camp who isn't sold on cooking in aluminum foil. Try it again at your Patrol meetings and hikes whenever you want a delicious meal.

What about the Stunt Night Camp Fire on Wednesday night - wasn't that a doozy? Roger LeRoy had his hands full of the best doggone actors this side of the Scoutercraft Area. When they said the Scout Oath at the end, you could tell they meant it.

This afternoon was "Win the Wagon", a game where those Scouts who had buckled down and studied their Scoutercraft put their knowledge together so that it paid off. As you read this, the

### "THE ORDER OF THE ARROW"

The Order of the Arrow was founded as a National Honor Camp-Society, its basic principle being Cheerful Service. As part of the Boy Scout program, any Scout is eligible who is a first class Scout and is elected by his troop mates.

Our Lodge was established last year and as yet has only about 30 members. During the course of the last summer program, we participated in many camp service projects such as building some of the beautiful bridges around here. This year we plan to work on a new Council Fire Ring to be used exclusively for Friday night Honor Campfire service.

The following Scouts were elected as Candidates: Marcy Punnett, Troop 81; Vern Trickey, Troop 29; Norman Steinbaugh, Troop 26; David Lynd, Troop 81; Louis and Bernard Giovinnine, Troop 70; Lyman Wood, Troop 63; Dick Brown, Troop 6.

Billy Lambert, Reporter  
Scout Lynan Wood was tapped for the Order of the Arrow & has been given one year to reach 1st class to be eligible for membership in the Order. On Wednesday, we enjoyed a cook-out with troop 6 & guests. After a couple of bad starts we had a good meal from the aluminum foil pack with no casualties and no hunger pangs. We are planning a 5 mile hike for Thurs. which will help the Tenderfoot Scouts to complete their requirements for 2nd. We enjoyed the International Olympics. We masqueraded as Mexicans and were fairly successful in the tug-o-war until the American's beat us out. We also won a booby prize when our two "Chubbos" failed to finish the obstacle race. We're looking forward to the Win-the-Wampum and the Swim meet. Nearly everyone had advanced one step in swimming and we are grateful for the waterfront opportunities.

In all, we've been having a fine time. We worked hard to get here. We worked hard after we got here. We've had ups and downs, but camping is worth it.

There are only four boys in our troop who pass their swimmers test and they are James Shirley, Bernard Giovannini, Gary Rott, and Leo Hamill who is our Senior Patrol leader.

All of my troop likes the Cayuga Campsite very much and also the tents.

The Cayugacamp site is situated on a bluff over looking Seneca Lake. There are 6 tents in our camp site.

### Troop 166&55

News

Jerry Doyle  
Reporter

All the boys in The Onondaga no. 1. enjoyed the staff's hiking skit at the campfire Monday night. We all thought all was very funny. Clifford Bastian, a boy from troop 78 of Ovid, was

the first boy in the whole camp to advance a rank. He progressed from tenderfoot to second Class. All the Onodaga are very proud, of him.

In the International Olympics Tuesday night our troopsite went as Americans. We won one time and came in second twice. Wayne Scheik, And Jack Smith from troop 166, won the 3 legged race. In the tug-a-war we beat 2 nations and then the Pbrates (Mohicans) beat us. The members of our team were Don Kelly, Wayne Scheik, Jack Smith, Wesley Mosher, Jerry Doyle of troop 166 and Roger Stewart, Don Rayburn and Bruce Walters of troop 55.

At our Cook-Out Wednesday night our guest were Robbie Iadeluca and Fred Ward. Our hamburgs tasted delicious. Every body agrees that food cooked in aluminuin foil is delicious.

After our cook out we went to the campfire. We had two acts to our skit. The first was about a car that the tires kept going flat. The other skit was about a stupid Scoutmaster. Members of the play were Wesley Mosher, Jack Smith, Guy Sapienza, Jerry Doyle of troop 166 and Don Rayburn Roger Stewart, Bruce walters of troop 55.

"Wampum" is being presented to the winning team.

Tonight we are having a Wide Game, details of which will be given you later this evening. It's a real big game for active Scouts and will cover lots of territory.

Are you all ready for the Water Carnival tomorrow afternoon? Everybody here will be down at the waterfront and from the rumors flying around, most of these Scouts will be spending their time in the water. More news about the Carnival later - -

The BIG event of the week is the Honor Council Fire Friday night. At this fire, those Scouts who have proved their Scouting ability by advancing a rank or by earning a Merit Badge will have their ranks presented to them before the entire camp. Also at that time, those Scouts who have received the extremely high Honor of the Order of the Arrow will be presented to all the Scouts. Don't get sick Friday afternoon, or you'll miss the best affair of the week.

The Camp Director tells us that registrations are being accepted right now for next summer's camp. Tell your Scoutmaster that you want to go before it's too late.

## ARROWH EAD ROCK

There have been quite a few Scouts asking us a bout Arrowhead Rock. We know no more than what was told us at the Induction Camp-Fire Monday night. We can't even explain those peculiar red markings on the Rock. Those few Scouts who haven't yet seen the Rock can do so by slowly walking down the Adventure Trail. It's so big you can't miss it.

## CAMP BABCOCK-HOVEY

The Scouters of the Finger Lakes Council decided to buy the beautiful 140 acre tract on which Camp Babcock-Hovey is now situated.

The Hovey family of Geneva and the Babcock family of Phelps were among those who made possible the purchase of the camp. Since then, the Babcock Memorial Chapel and the Hovey Recreation Lodge have been added to the facilities of the camp.

Other gifts include the gift of the Penn Yan Lodge by the Penn Yan Rotary Club. The Dining Lodge fire place was donated by Niel Iverson, the Entrance Gateway by a former station agent at Gilbert Station, and the water pumping system by N. J. Gould.

Many other improvements were made from a \$35,000 Camp Improvement Fund to which hundreds of Scouters in nearly every community contributed.

The present value of Camp Babcock-Hovey is in excess of \$102,000 and is dedicated to the perpetual service of boyhood through Scout training.
