

Mules Thunder to Victory After Last Week's Losses

R. C. 3-North Rose 2
Red Creek, after building a big early lead, withstood a late rush by North Rose to win 9-6 at Red Creek last Friday.

Tom Tilebein, on the mound for the victors, was tough early in the contest, but gave up seven bingles in the last two innings for a total of 10 in all. He walked only one in a fine display of control and struck out seven.

The locals fielding was better overall, handling many chances with but three errors.

Mike Caywood, a freshman starter, opened the first inning with a single and scored on Tilebein's double. Lou White singled and after Malcott reached on an error, Steve Yuhus doubled to left to score two more. Red Creek added three in the third as Malcott singled, was sacrificed to second by Yuhus and after Henderson walked, Harvey VanWie singled to score two. Back to back booming triples by Tilebein and White in the sixth added an insurance run. Harvey VanWie batted in three runs with his pair of hits.

This was Red Creek's first win of the season and put them back in the running in the quest for further Class C honors.

R. C. 5-Savannah 2
When the game ended on a fly to Lou White in left field and a 5-2 victory for Red Creek over Savannah, Coach Schneible had difficulty retrieving the ball. No one seemed to have it. As it turned out, the boys were busy after the game in the locker room outographing it for this was the 100th victory of Coach Schneible's career in baseball. In 10 years of coaching, the teams have won 100 and lost 35.

And it was a sweet victory, avenging an earlier loss to Savannah and keeping Red Creek in the running for the CD trophy.

Steve Yuhus pitched the first win of his career allowing six scattered hits, walking four and striking out nine.

The big rally came in the fifth when Tilebein walked, White singled, Yuhus was hit by pitched ball, Henderson was also hit to force in a run and then Harvey VanWie plated two runs with a

Sterling Girl Wins \$10 Prize

Janice Shaw, 12, of Sterling found an odd bundle of roots several months ago when she was helping to clean up the kitchen. Her father, Milroy Shaw, explained to her that they were sasafraas roots which he had brought back from Illinois and that they could be used to make a "spring tonic." Janice and her mother steeped the roots in hot water and tried the concoction.

Though the mixture smells good when it is being prepared, Janice says that it does not have much taste.

At her mother's suggestion, Janice submitted a question to the Junior Editors quiz asking for more information about sasafraas.

Janice is the daughter of Mr. and Mrs. Milroy Shaw. She is a seventh grader at Red Creek Central School. She says her favorite subjects are science and English. An outdoor girl, she enjoys swimming and horseback riding.

For having her question accepted, Janice will receive a copy of the World Yearbook and \$10 in cash.

Rotary Camp For Handicapped Now Onseyawa

Rotary's camp for handicapped children on Seneca Lake has been renamed and will now be known as Camp Onseyawa, Land of Happiness, according to president Soribor of Clyde, following approval by the Board of Directors.

While the name is characteristically Indian in sound, it is actually derived from the first two letters of each county in the four county area from which it receives its support, namely Canandaigua, Clifton Springs, Clyde, Lyons, Geneva, Gorham, Ontario, Naples, Phelps, Marion, Newark, Palmyra, Red Creek, Sodus, Williamson, Wolcott, Waterloo, Seneca Falls, Dundee and Penn Yan.

An emblem portraying an Indian head and incorporating the new name is being designed and will be used on the tee shirts supplied to the campers and Under the direction of Al Foster of Seneca Falls the camp session this year will be from August 18 through 31. Last year Any physical handicapped program and pool.

22 youngsters enjoyed the camp child between the age of 9 to 16 is eligible to attend without charge if their application is approved by the selection committee.
